COMMUNITY NEWS

Summer Updates for Our Residents

We wanted to extend our gratitude to all our residents for completing the Tenant Satisfaction Survey. Your feedback is invaluable in helping us improve our community.

Preventative Maintenance Inspections

As we enter the summer months, please be prepared for our Preventative Maintenance Inspections. We appreciate your cooperation in fulfilling this annual requirement. Please ensure an adult is present if there are minors in the home, and all pets are secured during the inspection.

Backyard Maintenance

With summer weather upon us, we remind you that backyards are required to be maintained. If you need equipment to assist with lawn care, please contact the office or visit our maintenance shop to check out the necessary items.

Construction Updates

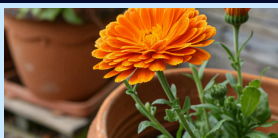

Construction is ramping up as the weather clears, allowing us to tackle multiple projects simultaneously. Our focus will be on sidewalks, driveways, and siding. We will notify you as soon as we approach work in your area.

Satisfacts Survey via Text

Short on time to review emails? You can complete your Satisfacts survey via text by opting in. Contact the office to learn more!
