COMMUNITY DIRECTOR UPDATE

AUGUST 1, 2025

COMMUNITY NEWS

Please be mindful of your speed within the neighborhoods and attached main roads. With the nice weather, many families are out enjoying the sunshine.

As a reminder, for safety, pools need to be supervised or emptied after use.

We are over halfway completed with our 100% Preventative Maintenance Inspections for 2025, we appreciate all your assistance in completing this annual requirement.

Bremerton and Bangor Residents

Construction projects are progressing well. We appreciate your patience as we collaborate with our vendors to revitalize our communities.

COMMUNITY UPDATES

Keep your eyes peeled for the grand opening of two of our new playgrounds this summer!

When we have finalized dates, we will invite everyone via social media.

If you are receiving PCS orders, please speak with the office as soon as possible so we can ensure you have all the requirements. Moving companies are also experiencing challenges, so we recommend early contact.

Just to remind you, our landscapers are out weekly. Please ensure that personal items do not impact keeping our community's front yards looking great.
