COMMUNITY REMINDERS

Monday mornings seem to have been our highest call volume over the past two months. If we are unable to answer immediately, feel free to leave a message, and one of our team members will return your call as soon as possible!

Join the Community Advisory Board

If you want to make a further impact within your community, CAB is still looking for volunteers. We have an incentive program for those who volunteer. Please contact the office should you wish to apply.

MAINTENANCE TIPS

We are in the final phase of Preventive Maintenance Inspections. We appreciate everyone's cooperation in helping our team complete this annual requirement.

- As we finish up the summer season, it is a great time to reseed your backyard. The Self-Help Center has grass seed available. Please contact the office if you need assistance.
- We are seeing a higher incidence of wildlife affecting trash receptacles. Please bring your cans into your garage.

RESIDENT SURVEYS ★★ ★

"Shout out to Matthew who responded promptly to a service maintenance request resulted in the replacement of few faulty smoke detectors. Several smoke detectors was going off early in morning. Matthew arrived very shortly after we called for assistance. He even explained the root cause of the issue in question. We appreciated the quick resolution of the problem."
