

COMMUNITY DIRECTOR UPDATE OCTOBER 1, 2025

COMMUNITY NEWS

NAFVAC has requested that we ask residents to be mindful of the gas/utility covers and to please avoid interacting with those if you see them onsite.

We are also asking for assistance in maintaining the community, there are trash receptacles throughout the property to include your personal bins.

Make a Difference: Join the Community Advisory Board!

Volunteers Wanted | Incentives Available

Want to make a bigger impact in your neighborhood? The Community Advisory Board (CAB) is still looking for volunteers! Incentive programs are available for those who participate. Interested? Contact the office to apply today!

FRIENDLY REMINDERS

We are in the final phase of Preventive Maintenance Inspections. We appreciate everyone's cooperation in helping our team complete this annual requirement.

- As temperatures drop, it's a great time to "dust off your heaters" and make sure they're working properly. If you notice any issues, let our team know. We'll be happy to come by and check it out!

We ask all residents and guests to adhere to the guidelines set by the NBK Parking Office. If you are unsure of a parking best practice, please contact your office team to assist.

As we finish up the summer season, it is a great time to reseed your backyard. We have grass seed available at Self-Help Center, please contact the office if you need assistance.
