

COMMUNITY DIRECTOR UPDATE FEBRUARY 1, 2026

COMMUNITY NEWS

Friendly reminder that Renters Insurance is required with the Universal Lease. Please ensure we have a copy of the current policy for your household and that the correct interested party information is listed on the policy.

Please reach out to the office via email if you are in need of putting in your notice. We are happy to ensure that you meet all the requirements as you transition to your next duty station.

Your input is valuable! Google, SatisFacts, and TSS are all great ways to express how much you enjoy your community, the work our team does to keep your home functioning, and to help guide where the money we reinvest in the community goes. Let us know if you have questions on where you can provide feedback!

MAINTENANCE TIPS

During the colder months, don't seal up bedrooms you aren't using; make sure that doors remain open to keep air circulating and warm air in those areas.

The team is working diligently to help where they can, do us a favor and tell them how great they are doing by filling out your Satisfacts survey after we close your work order!

RESIDENT REVIEWS ★★★★★

"I have lived here for several years and have had to call several times for a repair. Each technician has been respectful and helpful, listening to me when I talked and explained my concerns." - **Linda Kelly**

"Peter and Ed did a really professional job. They were prompt and kept me updated with the work. I was worried about not having hope water over the weekend, but they worked hard for my family and me to get a new tank as soon as possible." - **Naval Base Kitsap Family Housing Resident**
