## MAY 1, 2026

### **COMMUNITY NEWS**

#### **We want to thank all our residents who participated in completing the Tenant Satisfaction Survey!**

As we get closer to warmer weather, please contact the office for safety guidelines for pools, rules for guests, if you have a Notice of Absence, and a reminder that fire pits are not permitted on the property.

#### **Community Reminders**

- In continuation of our wildlife safety items, keep an eye out for nesting birds in the soffits. Notify the office, and call the maintenance line if you see them, so we can try to address it before they lay eggs.
- Window AC units are not permitted. Please contact the office if you have questions.
- We have a refreshed Self-Help section in our Warehouse. Please feel free to contact us if you need help with your yard maintenance.
- If you listed a maintenance concern in your Tenant Satisfaction Survey, please contact the office. We are unable to connect the comment to the household, so we cannot reach out to you directly.
