Renters Insurance: This is required, along with adding your additional interested parties, please reach out to the office if you have any questions.

We received Navy Concurrence on a couple of additional projects through the end of the year, please mind the notices posted for active work in your neighborhood and requirements.

MAINTENANCE TIPS

We are about 75% through our Preventative Maintenance Schedule for the year, please assist our team in knocking this annual requirement out by reviewing the notice when posted, preparing and asking any questions prior to the scheduled visit.

Don't forget you can submit a work order at any time through the portal or through the call center, don't wait until you have a stack of items to fix!
