Cooler weather is on the way: Now is a great time to test your heater and make sure it's working properly. If you notice any issues, please submit a service request.

Parking Reminder: Please follow all guidelines established by the NBK Parking Office. If you have questions about parking rules or best practices, contact the Resident Services Office for assistance.

Preventive Maintenance Inspections: We are in the final phase. Thank you for your cooperation and support in helping our team complete this important community requirement.

Lawn Care Tip: As summer comes to an end, this is an excellent time to reseed your backyard. Grass seed is available through Self Help. Please contact the office if you need assistance.
